**Johnny Stout-President SCSC**

### *From The Presidents Shooting Bench:*

Greetings from the President,

Almost eerie words when you consider what just happened in our country, but let us not dwell upon that right now. Right now we are still technically protected by the Constitution, and our exercise of the 2<sup>nd</sup> amendment is coming to a range near Shreveport Louisiana in March. I'm looking for everybody who can possibly make it out to come join us. There are about 6 weeks left to plan, and I'm sure most of you could use a break about that time.

The next .50 caliber sanctioned match hosted by SCSC will be held at the Long Range Alley Gun Club ( <http://www.lra-tti.com> ) just south of Shreveport, LA off hwy 49. The club is very accessible and there are 15 firing positions on the 1000 yard firing line with what appear to be pretty good target frames in the pits. We hope to see a good turnout for the match and we are working hard as this is being written to make the coming match be a very positive experience for everyone.

Teri Burt, former President of the Fifty Caliber Shooters Association (FCSA) will be the official Match Director. Teri has said we will run an on-time, by-the-rules match that hopefully everyone will enjoy.

The Friday night club meeting is tentatively scheduled to meet at the *Relay Station Casino/restaurant* not far from the range. The address of the Relay Station is:

**6787 LA Hwy 175**

**PH: (318) 872-1900**

**The Friday Night Special is their Seafood Dinner**

If there are people willing to share hotel rooms to cut expenses, please contact me and I'll try to connect you with someone else willing to share a room. I encourage anybody needing to share hotel expenses to do so. We think you're going to really enjoy this match and we want as many in attendance as possible.

***The list of hotels for the Shreveport area is:***

1. Comfort Inn @ 9420 Healthplex Dr. 318-688-2812,
2. Candlewood Suites 866-767-0278,
3. Holiday Inn Express West 866-538-0251, and the
4. Motel 6 Shreveport 318-742-3472.

When searching on the Web for motel information, reference **Frierson, LA. 71027.**

***New Shooting Benches:***

Long Range Alley is a new facility to us, and as such we intend to have a good shoot and make new friends at this range. Our very own Martin List has personally designed, built, and arranged transport of 10 new shooting benches for us. Folks, Martin is worth his weight in Gold. If you see Martin at the match please go up and thank him and his wife Shirley for all of the work they have put in to making our club better.

SCSC will have a ***club meeting*** on Saturday after the match to discuss club business and hold an election of club officers. Please forward your nominations to me or John Burt. Don't be shy! We will help the newcomers get up to speed. Also, don't forget the FCSA elections are coming up as well. I don't have a list to include here, but I can tell you last year's election was close. The participation FCSA wide was not too exciting for big numbers. So the election was very close for some board seats. I'm sure you will recognize some of the names on the ballots, and we do want good people keeping our club up to par.

***Early Registration For Shreveport Match:***

There is an attachment to this newsletter with the schedule of events program with all the applications to join SCSC and to sign-up for the match in Shreveport. For those of you who haven't done so, your dues to SCSC are also due each January and if you need to renew your membership please do. Send all **membership applications** & checks to: **SCSC, PO Box 6546, Kingwood TX 77325-6546**

For those of you who can register early for the Shreveport match, please send your **match applications** and checks to Teri Burrtt at: **PO Box 1128, Choctaw, OK 73020**

The importance of registering early for any of the sanctioned matches is to enable the Match Director to squad as many people onto their bench assignments and pits duty before we ever arrive at the range. If we have to wait until Saturday morning to do the squading, it will just delay the start of the match. We need your help & cooperation to start the match on time and keep it on schedule.

All the applications necessary for participation in the sanctioned match in Shreveport can be found on the website of the **Fifty Caliber Shooters Association (FCSA)** at [www.fcsa.org](http://www.fcsa.org)

### ***Credit Cards:***

We are in a position to process credit cards for those of you who would rather use a credit card than to write a check or send cash. We accept **Visa, MC, American Express & Discover**. For those of you who wish to use credit cards, you can fill out your applications and fax them to: **(405) 769-3736**

Attached to this document and also on the FCSA website is a .pdf file showing a map with directions to the range. Please print this out for your convenience.

### ***Club Elections:***

Each year at this time we get together and informally decide who's going to be our club officers for the next year. So far this has worked out fine, but if there are folks reading this who have the time and are willing to put in the effort, please give me a call or send an email to John Burrtt ([jb50bmg@cox.net](mailto:jb50bmg@cox.net)) to let us know. We'll be more than happy to enter your name up for consideration, but we don't want to be forced into just grabbing someone at the last minute at the meeting. We've got a great club going here and it's worth working for.
